STUDENT GUIDE

STUDENT GUIIDE

Your journey with eMinds Academy

CPDM Course

Step 01

- An enrolment manager will contact you via phone following your inquiry
- Take notes on the induction session and ask questions if you have any
- You can forward your registration details if you wish to join with the induction session

Step 02

- You can join the induction session through Zoom
- Make sure you ask any questions you have and get any answers at the induction session
- To confirm your interest, contact the enrolment managers via phone

Step 03

- Contact the student enrolment managers to verify the payment amount
- The portal will be made available to students once they have paid the initial fee
- We typically do not offer refunds; but, in the event of a serious illness, we may be willing to do so or even allow someone else to enroll in the course in your place, subject to approval from the management.

Step 04

- Students have 12 regular sessions and 06 extra sessions throughout the course
- Participate in the classes online via Zoom, and if you happen to miss a session, you can always watch the recordings on the portal.
- If you require additional assistance schedule a meeting with the **student support service**

- Students can book help sessions for Facebook account issues at https://calendly.com/ijaazfarook/eminds-academy-student-support , and will get a Zoom link to join
- If there's trouble joining, call Mr. Ijaaz Farook (Assistant Lecturer) at +9477 8601113 for help
- Before booking an appointment for Facebook account issues, please read the "**eMinds Academy—Account Restriction Guidelines**" on the portal

Step 05

- The assignment will be provided during the 12th session and students can download the assignment brief through portal
- You will be given 25 days for assignment completion
- You must seek the lecturer's approval for your assignment plan during the first ten days. This can be discussed over the phone during the first week or in one of the two scheduled Zoom meetings within this 10 days
- The final seven days before an assignment is due are not acceptable for the approval of its plan
- Special issues on submissions

- If you need an extension for the assignment: You need to request a 7-day assignment extension via email before the deadline without providing any proof.
- If you do not request the extension by the due date, you will be considered a new student and must pay the course fee in full and enroll in a new intake.
- If you cannot submit the assignment after notifying us via email, you can enroll in a new intake for assignment submission with a 30AUD registration fee, without needing to pay the full course fee again, as long as you have formally informed the team.

Step 06

- After completing the course, you will receive your certificate of completion, transcript, e-badge, and evaluation sheet.
- You will also be added to the alumni group and can participate in the Friday extra sessions
- Every three months, you can request access to the student portal for two weeks.
